

INTEGRATED MANAGEMENT POLICY

QUALITY, SAFETY, ENVIRONMENT AND HEALTH.

Our integrated policy is to fully satisfy our customers with the best products and services, seeking to achieve quality, protecting stakeholders and the environment, maintaining our ethics and standards, ensuring the reliability of the company in which it is the true basis of growth.

We always seek:

- ✓ Meet the specifications of customers and stakeholders;
- ✓ Comply with applicable legal requirements for our business;
- ✓ Achieve the continuous improvement and effectiveness of the Integrated Management System;
- ✓ Protect the environment from aspects arising from manufacturing operations;
- ✓ Safeguarding stakeholders in relation to health and safety at work.
